

**Director of Public Health
City of Gloucester
Gloucester, Massachusetts**

The City of Gloucester has an exciting opportunity for a qualified and motivated person to lead its Health Department as its Director of Public Health. A dynamic department, with amazing staff, overseeing programs ranging from substance abuse prevention, healthy living and aging, vaccination programs, and enforcing the regulatory responsibilities of local public health. The position of Director of Public Health offers the right candidate the opportunity to lead a team of progressive public health professionals and engage community partners in programs that improve the health and well-being of residents and visitors to our community. This is a full time position, 35 hours per week with excellent benefits. Salary range is \$89,154 - \$112,012, commensurate with experience. A complete job description can be found at: <https://gloucester-ma.gov/DocumentCenter/View/9199/Public-Health-Director> Candidates should submit a resume and [application](mailto:jobs@gloucester-ma.gov) to jobs@gloucester-ma.gov
